Other Key Learning Areas

Other Key Learning Areas

Science: Earth and Space: Students will focus on the observable changes that occur in the sky and landscape. Students explore how the Earth's resources are used and investigate their conservation.

Digital Technology: Communication & Sharing:

Stage 1 of the Digital Technologies strand focuses on digital systems and their components. Students investigate how digital systems display data and use a sequence of steps and decisions (algorithms) to solve problems. Stage 1 of this strand develops students' understanding of how digital systems use algorithms to communicate.

CAPA: Drama: This semester creative and performing arts will be covered during community languages time. The focus for this term will be drama.

Students explore and convey stories, events and feelings through roles and they work collaboratively to communicate and express feelings about the action of the drama. They experience and respond to a range of drama forms and elements by making, performing and appreciating drama.

PDHPE: Students will participate in weekly physical education lessons, focusing on Team Building.

Students will further engage in weekly health lessons learning to look after their own and others' health, safety and well-being.

Our sports day will be **Tuesday**. Please ensure children are dressed in the correct sport uniform with a hat, sport shoes or sneakers.

A reminder that students should be in full school uniform (including hats) each day and full sport uniform each Tuesday.

Should you have any questions or queries about your child please make an appointment with your child's teacher so the matter can be discussed at an appropriate time. If you have any further queries, please make an appointment to see Miss Khoury (Assistant Principal - Year 2).

Teachers will contact you with any concerns or questions about your child. For this reason and in case of an emergency, we ask that you ensure your contact information is up to date at the office.
