KEYBOARD PROGRAM – 2013

Dear Parents/Caregivers,

Girraween Public School offers keyboard lessons as part of its music program. For its success to continue, we have included guidelines that need to be followed.

Lesson Structure

- Lessons in Room 7
- Students will attend one lesson each week – Monday, Tuesday or Wednesday
- Students will be in lessons with two other students and will be taught in a group situation.
- Each student has access to a keyboard during the lesson.
- All lessons run for 30 minutes.
- Students must be picked up promptly from afternoon lessons.

We have 2 tutors available to us for this year. Our tutors are:

- Ms King
- Mrs Rajadurai

All students will need to bring their tutoring book to all lessons.

For students to have the best opportunity to progress, it is essential that they have access to a piano/keyboard outside of school for home practice. The school does not hire keyboards.

Keyboard Fees for 2013

The following keyboard fees will apply for students in the school's keyboard program.

- Lessons \$336 for the year – Payable as lump sum or by installments **before** the end of Term 2.
- Tutor books as required \$15

We have worked very hard to keep fees low. We would appreciate your prompt attention to payment as we have to pay our ongoing tutor fees up front.

Once again, thank you for your ongoing support. If you have any questions, please come and see me.

Yours sincerely,

Mrs Roberts
Organising Teacher
14th February 2013
