WEEK	TOPIC
2	Free Choice: This week children can bring a favourite toy or a picture from their holidays or a favourite book and tell us about it.
3	All About ME: Please allow your child to bring in three photos/drawings; one as a baby, one as a toddler/ pre-schooler and a recent one. We would like them to tell us a little about where they were born and how they have changed from baby to today. They may like to mention who helped them as a baby and what they can do by themselves that they couldn't do when they were a baby.

5	MY FAMILY: Please allow your child to bring in three photos/drawings of different members of their family; their grandparents, parents and themselves and their brothers/ sisters. We would like them to tell us a little bit about these family members. Where they live, when they visit, any special things that are done together as a family.

9	A FAMILY STORY: Please tell a story from your family. It may be a story from your parents or grandparents – something that they have shared with you; or it may be a story about a special object your family have. Please do not bring the special object to school. A drawing or picture is safer.
