10th April Girraween Show Day

11th April Wetter and Wilder

School Website:

<http://www.girraween-p.schools.nsw.edu.au/>

Our community has been shocked by the sad news of the death of Vissa Essan, a friend of Girraween P.S. and regular supporter of our Carols Night fundraising. The thoughts and prayers of our school have been with family members who have been affected by this tragedy.

I would like to emphasise that school is a safe place for our students. Teacher supervision begins at 8.30am each morning. All visitors to the school are required to sign in at the school office and wear a visitor's badge while on the school grounds. Any students leaving school before 3.00pm must be signed out at the school office and a note provided to the class teacher when leaving with an adult family member.

Harmony Day is this Friday. We held special assemblies to promote the theme of Harmony Day, 'Everyone Belongs'. Harmony Day 21 March is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it. All students were encouraged to wear orange today. How could you miss Mr Gosbell in his orange gear today!!

Today we had two students representing our school at the regional swimming carnival. Madissyn Powells in 5T and Sophie Powells in 3J. Congratulations to both girls!

School photographs will be taken next Tuesday. Students should be in full summer school uniform on the day. All orders must be completed by next Tuesday.

Best Regards,

G. Walker

Wentworthville/Seven Hills PSSA Zone Swimming Carnival 2014

Due to an impressive turn out and results, from our own Girraween Carnival, we were able to send 17 students to the Zone Swimming Carnival. While the quantity might look slight, in regards to the 860 students who call Girraween PS their school, the quality could not be questioned, as the participants did our school proud.

The day started with our students swimming the 50 metre freestyle. All involved put on a good show, to the delight of the parents that were present. Lauren Gafa, Amelia Randall, India Anderson-Prasad, Madissyn Powells and Sophie Powells all put in strong swims, which meant that Girraween would have a strong presence in the finals.

Some of our swimmers had qualified for multiple events that took place throughout the day. Yash Patil, Jay Patel and Andy Chen showed true grit, while up against some strong competition from the other schools. Quality was also maintained by Anne Sebastian, Hannabeth Marchant, Vishal Puvanarajah, Jayce Leslie, Mohit Tholu, Elise Kelly, Monish Babu and Arthie Arulnesan. All played an integral part in a spirited display of dogged determination in all areas of their involvement.

One of the highlights of the day was the 4 x 50 metre relay races, where all our teams placed in the top three. In some of the races, daylight was in second place, with Madissyn Powells bringing the junior girls team home in first place, with a time of 3 minutes and 7 seconds. The senior boys had a closer race, with Yanni Haddad finishing off a battle for third place against a rival school.

It cannot be denied that our school was able to hold its head high, along with other students from the 15 other schools that attended. Only through the involvement of students, parents, teachers and opportunities to experience the thrills of swimming were we able produce such an inspiring result. This bodes well for the coming years. Congratulations to all!

Our school Vision

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.

This term HR14 are learning about the different types of animals that live in the ocean.

They are exploring the anatomy of these animals by creating art-works of their images using paint, paper plates, crepe paper, old CDs and crystal shapes.

Their beautiful work was displayed in the office last week as well as making a wonderful representation of the ocean on the classroom's back wall.

Premier's Reading Challenge 2014

The Premier's Reading Challenge encourages students to take up reading as an activity choice in their leisure time and ultimately enhance literacy performance in our school. It is a challenge to each student to read more and to read more widely.

Students in **Kindergarten** to **Year 2** will be completing the Premier's Reading Challenge in class with their **teacher** reading them the stories and entering the students' details online for them.

Students in **Years 3 to 6** are required to complete the Challenge independently at home.

How can Year 3 to 6 students participate?

1. The 2014 Premier's Reading Challenge begins on 3rd March. Students can register for the Challenge by entering their first completed book online by typing in **DET Student Portal** into a search engine.
2. Log on to the *Student Portal* page using their **school internet** user name and password. **Note: New students who have transferred from NSW state schools use the user name and password from their previous school.**
3. On the *Learning* link click on the + then the word *More.... Premier's Reading Challenge* will appear on the list. Click on it.
4. A box comes up with questions that you are required to answer before moving forward.
5. Click on *Student Reading Records* (left hand column of page)
6. To add a book either;
 - Select the *Book title* box and begin to type in the title of the book. A drop box will appear below where you can click on the book and the ID# as well as other relevant information will automatically scroll into the information boxes or;
 - Click on *Booklists* (left hand column of page). Select your PRC level and search by the title or author here.
7. Click on *Add* to add the book to your child's list. A new line will appear for the next entry.
8. Borrow at least one Premier's Reading Challenge Book from the Library every week during your Library lesson and you'll be well on the road to completing this challenge. **Remember the PRC books are clearly displayed in the Library with the appropriate coloured stickers on the front of each book.**

It's **easy** and it's a lot of **fun** too so make sure you are a part of the Premier's Reading Challenge in 2014.

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.

VALUE OF THE MONTH: PARTICIPATION

Being a proactive and productive individual and group member, having pride in and contributing to the social and economic wealth of the community and the nation:

In School Communities, evidence of this value includes:

- communicating openly within and between different groups in the school community
- encouraging and considering new ideas
- forming partnerships with business and community organisations.

In Classrooms, evidence of this value includes:

- contributing to class discussions
- encouraging creative thinking about issues and problems
- accepting roles in group activities.

Multicultural Perspectives Public Speaking Competition

The Multicultural Perspectives Public Speaking Competition was introduced in 1996. It aims to heighten the awareness of multicultural issues among NSW primary school students while developing their interest in public speaking and improving their confidence and speech-writing skills.

What are the speaking requirements?

At each stage of the competition contestants present both a prepared speech and an impromptu speech. For their prepared speech, contestants must choose a topic from the list of multicultural topics that are listed below. The prepared speech must be a multicultural theme. Contestants will have 5 minutes to write their impromptu speeches. The speaking times for each speech and division are outlined below. Note that speakers are expected to finish at or just beyond the official speaking time, and it will be considered poor timing to reach the continuous bell.

Division / Speech

Years 3&4 prepared speech
Years 3&4 impromptu speech
Years 5&6 prepared speech
Years 5&6 impromptu speech

4 minutes
2 minutes

What are the prepared speech topics for 2014?

2014 Years 3&4

Racism is bullying
Multiculturalism at the FIFA World Cup
Empathising with other people
How kids can make a difference
Harmony Day
Every family has a story
My overseas connections
When does a migrant become an Australian?
Multiculturalism at school
What makes a community

2014 Years 5&6

Asylum seekers
The meaning of Australia Day
Getting a multicultural education
Learning different languages
Religion
Multiculturalism in the media
The same but different
Un-Australian
Stereotypes
Living between cultures

What are the adjudicators looking for?

They will make their decision based on manner, matter and method the contestants presenting their speeches. They will expect contestants to be confident and engaging speakers.

Only two students from Stage 2 (Years 3&4) and two students from Stage 3 (5&6) can be chosen to represent our school.

Students will be asked to present their speeches early next term. Please see Mrs Povey for any further information.

Best of luck.

BY CATHERINE GERHARDT

THE NEW RULE EVERY PARENT NEEDS TO KNOW

Have you ever heard yourself say to your children, “Don’t talk to strangers?”

An honest person will likely admit that at some time in their childhood, they were given this rule. In fact, many parents will admit they continue to pass this rule onto their own children. Yet, in the same breath, we might encourage our children to talk to the supermarket cashier, the sales person or the long lost relative. All of these people fit the definition of a stranger, but for some unknown reason it is okay for the child to talk to them. At best, this rule sends mixed messages to our kids.

There is a strong shift away from the old rule of “never talk to strangers” to “never go anywhere with anyone without asking permission first”. A child who has been taught to never talk to strangers may feel they have nowhere to go if they find themselves lost in a shopping centre or other public place.

As parents we need to emphasise who is a “stranger”. Your definition and your child’s may be quite different. Engage with your children to help them understand that a stranger is simply someone whom they do not know. We do not know if someone is good or bad just by looking at them. Rather, we need to teach our children about “strangeness”.

Five ways to enforce the new rule:

1. Never go anywhere with anyone without asking permission first

This is the new fundamental rule to keeping kids safe. This rule must NEVER be broken. Regardless of if it is a school, public or family function, work with your children to ensure they always ask an adult for permission before going off with ANYONE.

Classic “what if” scenarios are worth their weight in gold. “You are at school and walking back to class after snack when a man comes up to you and says he is looking for his son’s class. He asks you to go with him to show him where it is. Do you go?”

Use tempting scenarios that are relevant to your child, such as puppies or toys, and discuss safe options and strategies in each case.

CLASSIC “WHAT IF”
SCENARIOS ARE
WORTH THEIR
WEIGHT IN GOLD.

2. Your personal alarm

Children have an innate sensitive personal alarm, which we can teach them to use. This is their natural defence system. Work with them to identify and recognise the physical and environmental signals that cause their alarm to sound. Knowing that a rush of adrenalin will cause physiological changes in our bodies and activate our personal alarm is a good start. A child's personal alarm will present the same physical and emotional cues that an adult's will.

3. Trust your instincts

Have you ever gotten "the creeps"? Maybe it's the idea of snakes, mice or heights that does it for your child. Encourage them to draw on how it feels when they get the creeps. Instincts are those feelings you get when

something or someone makes you feel uncomfortable. Instincts are the physiological changes that happen to our body when our personal alarm goes off. Physiological changes include noticing that you feel scared or nervous, your tummy feels upset and your heart is racing. And you know what? Our personal alarm is right 100% of the time.

4. Personal space vs. safety zone

Most kids understand the concept of personal space. How many times have we heard, "Stop invading my personal space!" Most people feel comfortable within an arm's length of others. However, do your kids recognise their safety zone? Teach your child to be aware of their surroundings. If a "strange" person is too close, suggest they back away and maintain their safety zone. A safety zone is much bigger than your personal space – at least three giant steps bigger.

5. Safe places, safe people

There are times when a child must ask for help quickly and instinctively. We already know that not all strangers are bad, that most strangers will help a child who is lost or upset. It is situations that are safe, not places. Talk with your child and reinforce that he or she must ALWAYS use his or her skills with ALL people, including those presumed safe. Encourage your child to tell an adult they trust when someone or something has frightened them.

As parents we need to empower our children with self-confidence and trust in their ability to sense when something is just not right. It doesn't matter if they can articulate it; they just have to feel it.
