Dear Parents,

This will be the final newsletter for our first term. It has been a longer than usual term and one full of commitment and hard work setting up school programs for the year. Our students have settled into their classes and are focused on following our school's high expectations and rules of; Be safe, Be respectful and Be a good learner. I would especially like to congratulate our Kindergarten students and their parents on the excellent start to school they have made this term. Our Kindergarten classes are very settled and our Kindergarten students are making excellent progress while enjoying their classroom activities.

Highlights of this term include; induction of our school leaders, school and district swimming carnivals, election of our new P&C committee members, Harmony Day, parent information evenings, new curriculum information session for parents, free swimming classes for Year 2 students, house meetings and our primary PSSA and school sports each Friday.

Our major fundraisers this term will be held next week, Girraween Show Day and Wetter n' Wilder. There are lots of fun activities organised as well as food orders for our students. There has been an excellent response from students and families. Money raised will go towards resurfacing the school playground. Work will begin on this major project over the holidays. I look forward to the fundraising events and the improvements to our playground that this effort and previous fundraising will make to our students' playground.

Our P & C Association has paid for Student Injury Insurance for all students enrolled at our school. This is another way our P&C is using funds raised to benefit the families of our students. This cover is provided 24 hours a day 7 days a week. The cover isn't just for broken bones and ambulance trips, this policy also covers dental, non-Medicare medical expenses, and small property losses. More information is provided in this newsletter and is available on our school website. This is a great initiative from our P&C.

Thank you to everyone who has contributed to our school during this very busy and productive beginning to the school year. Happy Easter and safe holidays everyone.

G. Walker

Our school Vision

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.

VALUE OF THE MONTH: Integrity

Being consistently honest and trustworthy

In school communities, evidence of this value includes:

- open and transparent decision making processes
- consistent school policies and actions.

In classrooms, evidence of this value includes:

- trusting others to work independently
- doing what you say you will do
- teachers mark students work consistently to agreed standards
- clearly explaining and enforcing rules about plagiarism. accepting roles in group activities.

Our 2013 Woolworths Earn and Learn order has just come in. Thank you to all those families who collected stickers last year. Items such as musical instruments, literacy activities, maths equipment and puzzles have been distributed amongst our classes.

Stay tuned as the 2014 Earn and Learn Program will start after the holidays.

Thank you
Miss Khoury

National Assessment Program – Literacy and Numeracy 2014

LETTER TO PARENTS

In May 2014 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement. Each student's level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student's right to privacy is maintained.

The NAPLAN tests will be conducted from 13 - 15 May 2014.

TUESDAY 13 MAY	WEDNESDAY 14 MAY	THURSDAY 15 MAY
Language Conventions (Spelling, Punctuation and Grammar) Writing	Reading	Numeracy (Number, Algebra, function and pattern; Chance and data; Measurement and Space)

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

In 2014, as in previous years, the Writing task will be a single common task for all students. The 2014 Writing test will require students to respond to either a persuasive or narrative Writing prompt. However, the genre of the prompt will not be disclosed prior to the test period.

Wherever possible, schools will organise for individual students who are absent at the time of testing to complete missed tests at another time during testing week. Individual students are not permitted to sit tests after Friday 16 May 2014.

Students may be considered for exemption from the tests if:

- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustment or exemption from the tests must be discussed with the school Principal and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the Principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the Principal of the school your child attends if you would like to discuss your child's participation in NAPLAN.

Additional information about NAPLAN can be found at www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html.

SRC Chocolates!

The SRC are busy fundraising again. On Friday 4th April and the last Friday of the term, 11th April, the SRC are selling chocolates for \$1.

- Large Freddos
- White Chocolate Freddos
- Peppermint Freddos
- Caramello Koalas
- Crunchies.

Please come and support our fundraising and buy a chocolate – all profits go back to the school!

Year 2 Swimming Report

This term Year 2 attended the Seven Hills Aquatic Centre. We were picked up by the centre and travelled in a bus. We all took part in two, fun, free swimming lessons. They each went for an hour.

Before we started our lesson we all had a cool shower to wet our hair. Our experienced instructors tested us and placed us into levelled groups. We took part in various swimming skills which included push and glide, torpedos, fun float, backstroke, freestyle and doggy paddle.

It was a fantastic session with our experienced and very friendly instructors. When the lesson was over we had another quick shower.

Finally we changed into our school clothes in the toilets and went to school by the same bus.

Student Injury Insurance

The Girraween P & C Association along with the Girraween Public School have taken and paid for Student Injury Insurance policy for all the students enrolled at our school. This is another way of us making sure a duty of care is offered to the families of our students. As a parent and carer you don't want the unexpected expenses of unplanned out-of-pocket costs/medical costs. This policy provides peace of mind in knowing those financial expenses will be lessened in the event of an accident.

This cover is provided 24 hours a day 7 days a week. The cover isn't just for broken bones and ambulance trips, this policy also covers dental, non-Medicare medical expenses, and small property losses.

Period of Insurance: 31 January 2014 through to 31 January 2015.
